## **Biography**

Dr. Olivier Rozaire has been a pharmacist in Saint-Bonnet-le-Chateau (Loire) since 1997, and joined the Union of Pharmacists of the Loire in 1999, before joining the National Office Union U.S.P.O. in 2003. In 2013, Dr. Rozaire joined the Regional Union of Pharmaceutical Health Professionals (URPS) of the Auvergne Rhône-Alpes region before becoming President in 2016. In his capacity as President of URPS, Dr. Rozaire was asked by the Ministry of Health to implement a vaccination experiment by pharmacists in their pharmacies. Due to the proven success of this experiment, it was expanded nationwide in October 2019. As Regional President, Dr. Rozaire works with the Regional Health Agency to implement the plan of the President of the Republic, MaSanté 2022, through the establishment of the CPTS. Speaking at various international congresses on immunization promotion, Dr. Rozaire is working on the future of this topic, and expanding to other countries and for most vaccines of adolescents and adults.
