Charlestown, MA, US

Paul DiGiammarino has 30+ years of experience in lead operating, governance, and market development roles in emerging ventures.

Biography

Paul DiGiammarino has 30+ years of experience in lead operating, governance, and market development roles in emerging ventures. He is a serial entrepreneur who brings a distinguished record of success to every organization he works with. While serving as EVP, North America, for Sapient, Inc. and CEO of Steelpoint and Anaqua, Paul led organizations to realize an average of more than 10X return on investments to clients and investors through outstanding client service and rapid sales growth. Paul was also a member of the executive team of American Management Systems (now owned by CGI), that grew from \$50 million to \$1 billion during his tenure. He started his career with Coopers and Lybrand, now owned by PWC. Paul holds a CPA and a BBA with concentration in Accounting and Computer Science from the University of Massachusetts at Amherst.
