Testimonials

?I've known Paul Kyriazi for over 20 years and attended various functions with him. I worked directly with Paul on his movie 'Falcon Claw' and his Audio-Book 'Live the James Bond Lifestyle'. Plus we consulted on each other?s witting projects. I remember a major production problem, we were set up to record some actors and the studio equipment was down for 2 hours, with actors standing by. Paul remained calm and entertained everyone until the problem was solved. And, I have to add, for any meetings he's always there first ? ready to go and excited about the project. Paul is an amazing person ? passionate, dedicated, responsible, kind, and brilliant. I highly recommend him.?
