

# **Peter Gulick, DO FACP, FIDSA, FACOI**

**Professor of Medicine at Michigan State University**

East Lansing, MI, US

Take care of HIV/AIDS patients as well as Hepatitis C, B patients at 3 sites in Michigan

---

## **Biography**

Peter Gulick is currently an associate professor of medicine at Michigan State University, College of Osteopathic Medicine, and serves as adjunct faculty in the College of Human Medicine and the College of Nursing. He received training in two primary specialties: infectious diseases at the Cleveland Clinic Foundation and medical oncology at Roswell Park Memorial Institute. Gulick is director of the MSU HIV/Hepatitis clinic where his primary area of interest is HIV therapy, as well as hepatitis B, hepatitis C and co-infection therapy. In addition to teaching, Gulick has cared for HIV patients for 20 years and hepatitis C patients for 10 years. He has served on the Lung Cancer Advisory Committee through the State of Michigan's Department of Community Health, as well as the HIV/AIDS Prevention and Intervention Section, the Michigan Cancer Consortium and the Region 1 Smallpox Planning Team.
