

Dr. Mike Martin

Managing Director and Professor for Gerontopsychology and Gerontology at Institute of Gerontology and Dynamics of Healthy Aging - University of Zurich

Zurich , , CH

Dr. Mike Martin is professor for the Psychology of Aging and for Gerontology at University of Zurich.

Biography

Dr. Mike Martin is professor for the Psychology of Aging and for Gerontology at University of Zurich. He manages several competence centers on gerontology, plasticity, and multimorbidity, and leads a university-wide interdisciplinary strategic research program on the "Dynamics of Healthy Aging" examining pathways to the stabilization of quality of life in old age. He is a founding member of the International Association of Longitudinal Studies on Ageing (IALSA) and principal investigator and collaborator of several international and cross-disciplinary longitudinal studies on healthy ageing. Martin is Board Member of the European Cognitive Aging Society (EUCAS), Science advisor of the European Society for Memory Training (EUVGT), Vice Director Swiss Senior Universities (U3), and Foundation Board Swiss Competence Center for the Social Sciences (FORS). He has served on the Editorial Board of the European Psychologist, European Journal of Ageing, and Gerontology. Martin serves in the Swiss Academies of Sciences Steering Group "Changing Health Care?", is a Co-Director of the Swiss Academy for Social Sciences and Humanities Working Group on Health and Quality of Life, and regularly participates in National Research Programs on health, aging, and health data.
