

# **David Tanner**

**Distinguished Professor at University of Florida**

Gainesville, FL, US

David Tanner's research interests include instrumentation for gravitational-wave detection.

---

## **Biography**

David Tanner's research interests include instrumentation for gravitational-wave detection; search for axions, the likely dark matter in the Universe; and optical effects in solids: high-temperature superconductors, conducting polymers, highly correlated metals.

---

## **Areas of Expertise**

Physics, LIGO
