

Guido Mueller

Professor at University of Florida

Gainesville, FL, US

Guido Mueller's research interests include quantum optics and detectors for axions and axion-like particles.

Biography

Guido Mueller's research interests include quantum optics, terrestrial and space-based gravitational wave observatories (LIGO, LISA), and detectors for axions and axion-like particles. He is a professor in the Department of Physics in the College of Liberal Arts and Sciences.

Areas of Expertise

Space, Astrophysics, LIGO, Gravitational Waves

Affiliations

L3-Study Team (NASA) : Member
