

Nancy Rose Hunt

Professor at University of Florida

Gainesville, FL, US

Nancy Rose Hunt's work focuses on the history and anthropology of medicine in Africa.

Biography

Nancy Rose Hunt's work focuses on the history and anthropology of medicine in Africa, with increasing attention to subaltern and health politics on a global scale. "A Nervous State: Violence, Remedies, and Reverie in Colonial Congo" considers imperial violence in colonial Congo and its consequences. Her current projects consider madness and comparative imperial approaches to psychiatry in Africa; she also is focused on African children's drawings, their history, collectors and uses.

Areas of Expertise

Medical History, Vernacular Archives, Archives, Childbirth, History and Anthropology of Central Africa and the Democratic Republic of Congo, Mental Health, Reproduction, comics, Medical Anthropology
