

Prof. Martin Knapp

Professor of Social Policy at Department of Social Policy, London School of Economics

London, Greater London, GB

Professor Knapp's research focuses on dementia, mental health, autism, long-term social care, and often incorporates economic perspectives

Biography

Martin Knapp is Professor of Social Policy and Director of the Personal Social Services Research Unit at the London School of Economics and Political Science (LSE). He has also been Director of the NIHR School for Social Care Research since 2009. His current research emphases are primarily dementia, child and adult mental health, autism and long-term social care; much of his work has an economic focus, and in all of it he seeks to tease out the policy implications. He has published almost 500 peer-review journal papers and 15 books. His work has had numerous impacts on policy and practice in these areas. He is a member of the World Dementia Council.
