

Rajesh Narula

Chief Value Creator at Micro-Marketers

Noida, U.P, IN

Experienced dynamic speaker on business strategy, marketing, and CSR

Biography

Rajesh Narula is a qualified management and software professional with significant experience in almost all aspects of sales and marketing at an international level. His last assignment was with a leading global software solutions provider where he was responsible for the gamut of marketing activities including business development in the France market and corporate branding, positioning, communications etc. He has introduced many innovative ideas in his career, produced award winning collateral and achieved excellence in corporate sales and distribution network management. He has set up Micro-Marketers (www.micromarketers.net) - a pioneering venture that offers marketing services in an outsourced model, and seeks to create a new world of professional marketing. Rajesh speaks French, Portuguese and Japanese and writes frequently on marketing, arts, sports, social issues and technology for various national publications such as The Hindustan Times, The Pioneer, and various professional journals. He is the author of 'How to set up your business?' published by FICCI - apex chamber of commerce in India He is a visiting professor at some of India's premier management schools and lectures frequently at professional management bodies, international seminars and other forums. . He is a corporate trainer and conducts various workshops for entrepreneurs, sales and marketing departments, customer service teams, on various aspects of sales and marketing, CRM, soft skills including leadership skills, personal coaching and strategic think tanks sessions, as well as various programmes for school teachers and students. Rajesh is equally passionate about marketing and technology, and is also an avid photographer, a Black Belt Karateka and trekking enthusiast.
