

Ravi Roy

Associate Professor of Political Science at Southern Utah University

Cedar City, UT, US

Specializing in neoliberalism, political education programs, and the Deming system of profound knowledge

Biography

Dr. Ravi Roy is a professor of political science and serves as the director of the W. Edwards Deming Center for Quality, Innovation & Leadership at Southern Utah University. His father taught the same subject for over 50 years, instilling in him a love for American Government. He has held a number of academic positions which include: director of the Post-Graduate Program in International Development at RMIT University, director of the MPA program at California State University, and visiting research scholar at the University of California, Santa Barbara. He is also a Senior Fellow of the W. Edwards Deming Institute in Ketchum, Idaho and an Honorary Principal Research Fellow at RMIT University in Melbourne, Australia. Dr. Roy earned a bachelor of arts in political science from the University of California, Los Angeles, a master of arts in public policy and Ph.D. in political science and public policy from Claremont Graduate University.
