

# **Reid Simmons**

**Research Professor at Carnegie Mellon University**

Pittsburgh, PA, US

Reid Simmons has been developing robot systems that can work reliably in unstructured, unknown environments.

---

## **Biography**

A researcher in autonomous mobile robots, Reid Simmons has been developing robot systems that can work reliably in unstructured, unknown environments. He also works in multi-robot systems and human-robot interaction. His areas of specialty include: robotics, Artificial Intelligence, autonomy, architectures for autonomous systems, robot navigation, multi-robot systems and human-robot interaction. Reid is the director of the JPMorgan Chase & Co. AI Maker Space at CMU.

---

## **Industry Expertise**

Computer Hardware

---

## **Areas of Expertise**

Robotics, Robot Navigation, Artificial Intelligence, Multi-Robot Systems, Human-Robot Interaction, Autonomous Systems

---

## **Education**

**Massachusetts Institute of Technology**

Ph.D. Computer Science

**Massachusetts Institute of Technology**

M.S. Computer Science

**University of Buffalo**

B.S. Computer Science

---
