

Reuben Sandler

Corporate Advisory Board at InventionShare

San Francisco, CA, US

Dr. Sandler has led development into technologies in optical sensing and instrumentation

Biography

Dr. Sandler joined the Physical Sciences Division Council in July 2006. Dr. Sandler has been Chairman and Chief Executive Officer of Intelligent Optical Systems, Inc., a research and development company developing technologies in optical sensing and instrumentation, since 1999 (he retired as Chairman in 2007 and remains CEO). Before that he was President and Chief Information Officer for MediVox, Inc., a medical software development company, and prior to that was an Executive Vice President for Makoff R&D Laboratories, Inc. Dr. Sandler currently serves on the Board of Directors of Optech Ventures, LLC, and as of August 2012 he has joined the Board of Directors of IPCreate. He was a director of PASW, Inc. from 1999 to 2000, and a director of Alliance medical Corporation from 1999 to 2002. Dr. Sandler received a PhD from the University of Chicago, is the author of four books on the subject of mathematics and has held professorships at Victoria University of Wellington, the University of Chicago, the University of Illinois, Chicago, the University of Hawaii and Technion University of Haifa.

Areas of Expertise

Instrumentation, Optical Security, Mathematics, Medical Software, Optical Sensing

Affiliations

Intelligent Optical Systems, Inc : CEO

Education

University of Chicago

Ph.D Mathematics

Accomplishments

Professorships

Victoria University of Wellington, the University of Chicago, the University of Illinois, the University of Hawaii and Technion University of Haifa.
