

Richard Reynolds

Director at Mobile Gardeners

London, United Kingdom, , GB

Guerrilla Gardener

Biography

One of the world's leading guerrilla gardeners with over a decade of commitment to transforming neglected public space and encouraging widespread participation through his book *On Guerrilla Gardening* (2008), and international lectures to professional and enthusiast audiences. Guerrilla gardening is Richard's passion. Professionally he has worked as a communications strategist since 1998 and works for several London agencies on a diverse range of consumer products and services. This provides an underpinning to his work advocating guerrilla gardening.
