

# **Rémi Rabasa-Lhoret**

**Associate Editor at Diabetes Canada**

Université de Montréal, QC, CA

Dr. Rabasa-Lhoret is an Associate Editor at Diabetes Canada.

---

Dr Rabasa-Lhoret completed his medical training in Paris from 1983 to 1990 and his certification in Endocrinology in Montpellier from 1990 to 1995. Between 1995 and 2000, he conducted a Ph.D in food science (Montpellier France and Montreal Canada), a certification in medical nutrition (Paris France) as well as a clinical over-specialization in diabetes (Montpellier France, Clinical assistant) under the supervision of both Dr J-L Chiasson (Montreal) and Louis Monnier (Montpellier). From January 2001 to June 2002, he made a post-doctoral fellowship in Lyon (INSERM 449 and Lyon research center in nutrition France) under the supervision of Martine Laville and Hubert Vidal. He was also webmaster of the French diabetes association website from 2001 to 2005. He is also a member of the editorial board of Diabetes and Metabolism since 2004. In July 2002, Dr Rabasa-Lhoret was recruited as an MD in the endocrine service of the Centre Hospitalier de l'Université de Montréal (CHUM- Hotel-Dieu) as well as an assistant professor in the Nutrition department (Université de Montréal). Since April 2004, he has been the director of the metabolic unit at Université de Montréal and now at Institut de recherches cliniques de Montréal. The metabolic unit is a fully equipped lab for precise human phenotyping, physiologic and intervention studies in the field of nutrition, diabetes, obesity and physical exercise.
