## **Biography**

Rob Darling is currently the CTO of Communitech ? one of the leading tech support organizations in North America. Communitech helps Canadian companies start, grow and succeed. He has lead teams and delivered technology solutions that serve more than 5 million people across Canada - solutions used by startup ecosystems, Manulife, Pepsi, Lowes, Mohawk College and others. In 2017, his technology company LaunchSpot.io (focused on startup ecosystem data) was acquired by Hockeystick. Rob was selected by the Globe and Mail as one of Waterloo Region's emerging entrepreneurs - he is an entrepreneur and team builder who enjoys new challenges and the opportunity to create positive change in organizations of all sizes.
