

# **Rob Moore**

**Assistant Professor at University of Florida**

Gainesville, FL, US

Rob Moore analyzes digital learning ecologies, such as massive open online courses, to identify innovative ways to improve learner outcomes.

---

## **Biography**

Rob Moore is an assistant professor of educational technology at the University of Florida in the School of Teaching and Learning and the director of the IDEATE Lab in the Institute for Advanced Learning Technologies. His scholarship analyzes digital learning ecologies, focusing on massive open online courses to identify innovative ways to improve learner outcomes. He is particularly interested in leveraging learning analytics to identify patterns in student behavior that can inform learning design. Rob also is co-principal investigator for the NSF-funded Learning Analytics in STEM Education Research Institute (LASER).

---

## **Areas of Expertise**

Machine Learning, STEM Education, Digital Learning Ecologies, Adult Education, Massive Open Online Courses, Virtual Reality, Advanced Learning Technologies, Artificial Intelligence
