

Ronald Goldenberg

Consultant Endocrinologist at Diabetes Canada

Toronto, ON, CA

Dr. Ronald Goldenberg is a consultant endocrinologist affiliated with North York General Hospital in Toronto, Ontario.

Dr. Ronald Goldenberg is a consultant endocrinologist affiliated with North York General Hospital in Toronto, Ontario and LMC Diabetes & Endocrinology in Thornhill. His major areas of interest include clinical care of diabetes, obesity, dyslipidemia and thyroid disorders. Dr. Goldenberg is a past Medical Director of the Diabetes Education Centre at NYGH and North York Branson Hospital. He is a past chair of the Ontario Medical Association Section on Endocrinology & Metabolism and a previous President of the Toronto Diabetes Association. Dr. Goldenberg is a councillor on the 2010-2014 Diabetes Canada Clinical & Scientific Section Executive Committee and a member of the Steering Committee for the 2013 Diabetes Canada Clinical Practice Guidelines, the Executive Board of the Canadian Society for the Study of the Aging Male, Diabetes Canada, American Diabetes Association, Endocrine Society, American Association of Endocrinologists, European Association for the Study of Diabetes, Canadian Society of Endocrinology & Metabolism and a Fellow of The American College of Endocrinology. Dr. Goldenberg has been an investigator in a wide array of clinical trials in the areas of diabetes, hypertension, obesity, and dyslipidemia. He has been actively involved in Continuing Medical Education for the last two decades and is a key opinion leader amongst community-based endocrinologists in the Toronto area. He has been awarded an Honorable Citation by the Medical Staff Association of North York General Hospital for excellence in the practice of endocrinology and dedication to patient care in the community. Dr. Goldenberg completed his residency in Internal Medicine in 1987 at the University of Toronto, and his fellowship in Endocrinology & Metabolism in 1989 at the University of Toronto.
