

Rupert Bourne

Professor of Ophthalmology at Anglia Ruskin University

Cambridge, , GB

Rupert Bourne is a Consultant Ophthalmic Surgeon at Cambridge University Hospitals and Director of Cambridge Eye Research Centre.

Rupert trained at Moorfields Eye Hospital and undertook two glaucoma fellowships, one there and another at the Shiley Eye Centre/Hamilton Glaucoma Center in San Diego, California. He is the Chair of the National Institute for Health Research Ophthalmology Speciality Group, responsible for NHS research delivery. In his role as Coordinator of the Vision Loss Expert Group of the Global Burden of Disease Study, he has overseen the long-term research into worldwide prevalence rates of blindness and visual impairment, in partnership with the World Health Organization.
