

Russell John

IT Consultant at Trance Informatics

Dhaka, , BD

Professional Linux system administrator and highly experienced webmaster.

Biography

I?m a freelance IT consultant from Dhaka, Bangladesh, specialising in Linux system administration, open source software deployment, web development, and security research. On my spare time, I volunteer on various community-based non-profit projects, as well as peruse my ever-growing list of hobbies including photography, philately, origami, and more.
