

Saad Bhamla

Assistant Professor, Chemical & Biomolecular Engineering at Georgia Tech College of Engineering

Atlanta, GA, US

The Bhamla Lab explores fundamental and applied research questions through the development of new experimental tools and techniques.

Biography

The BhamlaLab explores fundamental and applied research questions through the development of new experimental tools and techniques at the intersection of soft matter, organismic physics and global health.

Areas of Expertise

Materials and Nanotechnology, Biotechnology, Organismic Physics, Global Health, Complex Systems

Education

Stanford University

Ph.D. Chemical Engineering

Indian Institute of Technology Madras

B.S. Chemical Engineering
