Sample Talks

Overcoming Obstacles: Going from Battlegrounds to Boardrooms

We all have obstacles in life. Explore examples of obstacles I experienced growing up in a war-torn West African country. Learn what characteristics successful people have that allows them to overcome their obstacles.

Personal Branding: 5 Steps to Building a Door-Opening Brand

Ever thought, "I'd love to try this" or "I'd be good at that" but felt limited because of your past experience? Based on experiences of others and my own personal experience transforming from a numbers guy and CPA to a marketing and product development role, this lecture provides tips for how you can make similar changes.

Just Say Hello: Moving Beyond Networking to Building Relationships

Networking is discussed seemingly everywhere. However, networking is very short-term and self-focused. Relationship Building is a long-term endeavor that yields greater benefits for both parties. Learn tips that will aid you in building stronger, more longer lasting relationships.

Testimonials

Deborah Daniels

Sam's presentation was right on time and truly enjoyed by all.

Voncile Hodges

"Building Influence" as presented by Sam Divine is an outstanding session for today's workforce. It includes first hand knowledge and teaches you how to avoid some not so common office pitfalls. Highly recommended for the self-motivated.
