

# **Sam Mukherjee, CSM**

**Clinical Assistant Professor of Information Systems and Business Analytics, College of Business Administration at Loyola Marymount University**

Los Angeles, CA, US

---

## **Biography**

Sam Mukherjee joined LMU in fall 2020 as clinical assistant professor of information systems and business analytics. He previously served as VP, Infotech Solutions at Coverking, an automotive aftermarket company. Sam has 30+ years of experience working in information technology management and product innovation with a proven track record of consistent revenue growth, team mentoring and relationship management. He started his career as a production engineer in Tata Steel, Bearings Division, and then switched to Design office, taking a job at DCL, a consulting firm. Sam came to U.S. in 1990 to work as a programmer for an engineering software company. Since then, he's worked in application development, managing information systems infrastructure, developing commercial and business applications, managing client projects and mentoring development teams.

---
