

# **Sarah Bittick**

**Assistant Professor of Biology at Loyola Marymount University**

Los Angeles, CA, US

College of Science and Engineering

---

## **Biography**

Contact: Phone: (310) 338-8833 Email: Sarah.Bittick@lmu.edu Office: LSB 311 Sarah Bittick is an Assistant Professor in the Department of Biology in the Frank R. Seaver College of Science and Engineering. Her work focuses on marine ecology and conservation science. Dr. Bittick investigates complex ecological questions in marine ecology to understand how multiple human impacts effect marine ecosystem functioning and community structure. She engages with diverse multi-stakeholder groups and partners in order to increase both saliency and effectiveness of science-based marine conservation solutions.
