

Sarah Schenck, M.D., FACP

Executive Director for ChristianaCare's Center for Virtual Health at ChristianaCare
Wilmington, DE, US

Dr. Sarah Schenck is an expert in practice transformation for Primary Care and leads ChristianaCare's COVID-19 Virtual Practice.

Biography

Dr. Sarah Schenck is the executive director for ChristianaCare's Center for Virtual Health. A primary care physician with a track record of driving successful clinical care transformation, Dr. Schenck is an expert in delivering whole- person, patient- centered care within a team-based setting. Under Dr. Schenck's leadership, ChristianaCare was the first health system in Delaware to earn certification as a multi-site Patient Centered Medical Home from the National Committee for Quality Assurance. Dr. Schenck also has played a significant role during the COVID-19 pandemic, and currently serves as medical director for health system's virtual COVID-19 practice, monoclonal antibodies COVID-19 treatment program, and virtual COVID-19 recovery clinic.
