**Professor of Psychology and Neuroscience; Associate Dean for Professional Development,
Graduate School at Baylor University**

Waco, TX, US

Neuropsychological functioning and substance abuse treatment expert.

Biography

Dr. Dolan joined the Baylor faculty in 2007, after serving as a National Institute of Alcohol Abuse and Alcoholism-funded Postdoctoral Fellow and subsequently a National Cancer Institute-funded faculty member at the Brown University Center for Alcohol and Addiction Studies. While at Brown, she also served as a Research Scientist at the Providence Veterans Affairs Medical Center, as well as the Assessment Coordinator at Psychological Associates, in Warwick, RI. Prior to that, she earned her B.S. degree in psychology from Indiana University, followed by both M.A. and Ph.D. degrees in Clinical Psychology from the University of Iowa. She then completed her clinical internship at Yale University, in the Division of Substance Abuse. In her spare time, she can be found serving as an alumnae advisor for her sorority on campus, at a Baylor football or men's basketball game, traveling, or volunteering in the community.
