He speaks nationwide promoting them and the crowdfunding and Peer2Peer movements. He is passionate about creating new ways for real estate investors to connect with others and resources that make it easier and faster and safer to invest. Creating and expanding communities that support peer2peer engagement is how he sees his role in assisting NationalREIA and REIFA and each individual member become more successful. Scott has over 15 years experience in the real estate industry and 8 years in the peak performance coaching industry as well. He's developed over \$30,000,000 of real estate and sold over \$50,000,000 in commercial real estate, 3 years as a mortgage lender, and at the age of 26 founded Star Tex Enterprises Real Estate Investments & Brokerage.
