

Sean Wise

Professor at Ryerson University

Toronto, ON, CA

Empowerment through Entrepreneurship

Biography

I may teach Entrepreneurship at Ryerson, and help Canada discuss Entrepreneurship through Dragons' Den, but I started my first business at 13. Now 30 years later, I've raised more than a billion in finance for startups, working on Dragons' Den for 5 seasons and recently completed my PhD in Business. Have keynoted over 100 conferences, and would love to do more.

Inside the Dragons' Den

What you can learn from this runaway television success story in a multimedia behind-the-scenes presentation. Dragons' Den is now in its seventh season.

The Engaged Enterprise: Social Tools for the 21st Century

Dr. Sean Wise is one of the world's foremost social network topologists. He has spent the last five years examining the rise of the Connected Company and mapping how social tools allow business to change with the times. In this engaging keynote, Dr. Wise will show you how these new tools and fresh paradigms can be leveraged by your organization to increase creativity, upgrade customer service, stay innovative, and drive employee efficiency and customer satisfaction.

Testimonials

Maria Pinelli

?Sean brings valuable insights, a direct and frank dialogue, a willingness and enthusiasm to help a company succeed and his own proven track record to share experiences.?

Ashley Kochman

Interesting, motivating, and inspiring. His passion for work clearly shone through as he shared his past experiences and knowledge on what it takes to create a successful business venture.
