

# Seungahn Nah

Chair/Research Director at University of Florida

Gainesville, FL, US

Seungahn Nah's research centers on the interrelationships among communication, community, digital technology and democracy.

---

## **Biography**

Seungahn Nah's scholarship centers on the interrelationships among communication, community and democracy with special emphasis on the roles of digital communication technologies, including AI-enabled technologies, and media credibility in community and democratic processes and outcomes. In particular, his research sheds light on community storytelling networks through social and mobile media and AI-communication, news trust, and civic engagement across diverse ethnic and racial groups as well as communities at the local, national, and global levels. He has written, edited and published numerous books and more than 70 journal articles and book chapters concerning digital media, AI, news credibility, participatory communication, and civic participation.

---

## **Areas of Expertise**

Trust, Political Communication, Disinformation and Misinformation, Artificial Intelligence, Emerging Media, Social Media
