

Suhas A. Sridharan

Associate Professor of Accounting at Emory University, Goizueta Business School

Atlanta, GA, US

Sridharan studies the role of information in assessing and mitigating firm risks arising from an increasingly polarized political system.

Biography

Suhas A. Sridharan joined the Goizueta Business School faculty in 2015. She earned a PhD in business administration from Stanford University's Graduate School of Business. Her research focuses on the role of information in the price discovery process in capital markets. Professor Sridharan's work has appeared in academic journals such as The Accounting Review, Management Science, and Review of Accounting Studies, and media outlets such as The Wall Street Journal, Financial Times, and Bloomberg News. Prior to joining Goizueta, Sridharan was a member of the faculty at the UCLA Anderson School of Management.
