

# **Stacey Havlik, PhD**

**Associate Professor of Education & Counseling | College of Liberal Arts and Sciences at Villanova University**

Villanova, PA, US

Stacey Havlik, PhD, is an expert in school counseling, homeless children and youths, and first-generation college students.

---

## **Biography**

School counselors play a vital frontline role in a student's educational experience. Building and maintaining trusting relationships, they keep a close eye on their students' personal-social development as well as their academic achievement in order that students stay balanced and motivated to aspire to higher education. Having worked as a middle school counselor, Havlik is intimately acquainted with the increasingly extensive demands placed on those that perform this role. The focus of her research is on how school counselors can guide and assist homeless children and youth as well as first-generation college students to successful educational careers.

---
