

Stan Suboleski

Professor at Georgia Southern University

Statesboro, GA, US

Stan Suboleski is an expert in hospitality training and strategic management.

Biography

Stan Suboleski, lecturer of management, has a doctorate degree from the William F. Harrah College of Hotel Administration at the University of Nevada Las Vegas. He teaches courses in management, services/hospitality operations, human resources, organizational behavior, marketing, and strategic management. His areas of research focus include service industry operations, multi-unit management, services marketing, and analysis of research methodologies. Previously the director of sales at the International Gaming Institute in Las Vegas, Suboleski has more than 20 years of hotel experience in executive and corporate management, including posts as vice president of operations and senior vice president of development for asset management firms based in Chicago and Florida. He has operated numerous conference facilities, hotels, and restaurants, as well as managed several service side support and hospitality outsourcing firms. He has designed and opened hotels in major metro markets such as New York, Chicago, Miami, and Minneapolis. He was a founding partner of EWD Solutions, an Internet marketing firm specializing in service and hospitality organizations. EWD Solutions was awarded the Best Hotel Website Design by the American Hotel and Lodging Association in 2001.
