I Want to Draw a Cat For You!

Biography

Howdy hey. I enjoy creating comedy to delight and confuse, and applying those sensibilities to the business world. I believe strongly that if you lead with art and sincerity, the rest of the pieces will fall into place. In 2010 I started I Want To Draw a Cat For You (<http://iwanttodrawacatforyou.com>). In 2011, I appeared on ABC's Shark Tank and made a deal with Mark Cuban for 33% of my company. To date, I've drawn about 8,500 stick figure cats for customers all around the world. Whoopy!
