## **Don Farrell**

Steve was the perfect balance we needed in the senior leadership position at Signature. He cuts through difficult problems and challenges and finds the best and simplest of solutions. He took Signature from a domestic company into one that is truly global, doing business with licensees in 44 other countries. Steve is smart, reliable and trustworthy....a very good man to do business with.

**Mike Paton**

Steve Wolever is the consummate CEO. He is a highly capable executive who understands the value of setting clear objectives and trusting a team of effective leaders to achieve those goals. Most importantly, Steve genuinely cares about his company and its people. He truly wants everyone to benefit from their connection to Signature Worldwide, and works tirelessly to ensure customers, employees and partners feel good about their relationship with the company even after that relationship comes to an end. Thank you, Steve - I count you as a great role model and fast friend.
