Biography

Sunil Tatkar is the founder of Valurevolution - recognized by DPIIT, Ministry of Commerce & Industry for Education & Skilling. He is a military boarding school alumnus and a 1990 mechanical engineer graduate from VJTI, Mumbai. Sunil has over 30+ years of experience as a professional and entrepreneur in varied functional roles across several business and technology enterprises. Sunil is also a professional, an entrepreneur, a content writer, an art enthusiast, a marathoner and an educator who can engage learners of all ages with his flair for participative training and workshops. He is a 5 star rated trainer. He has created an experiential self-development program for everyone to learn and upskill, named after the two gifts we all have ? ?Human Cognition and Know How?. The program modules have got a 4.8/5.0 rating from learners across several MOOC and online interactive platforms. The program is in sync with the guidance and recommendations of several national policy initiatives and global research recommendations. These include the NEP 2020, Delors Report, WHO Life Skills, OECD, P21, ACS, UNESCO Working Paper, World Economic Forum and CBSE 21st Century Skills Handbook.
