

Suzanne Grant

CEO at Canadian Advanced Technology Alliance (CATAAlliance)

Ottawa, ON, CA

Suzanne Grant draws upon 30 years leadership experience, including a background in traversing emerging medical technology

Biography

Suzanne is a Canadian veteran with a communications engineering and intelligence background. She's served non-profits on boards and within think tanks, advisory and governance committees. Decades of entrepreneurial experience include founding a digital publishing and strategic communications agency in the frontier market of Qatar and co-founding an award winning, state of the art, brain-machine interface med tech company. Suzanne has conducted business in 17 countries, signing tens of millions of dollars in deals with dozens of multinational clients and celebrities and royalty. Awards include a Canadian Forces Communications and Electronics Branch Commendation, Kingston Local Hero Award, WISE 50 over 50, Evolocity Female Founder, Startup Canada Quebec and National Innovation Awards, and Copenhagen's Creative Business Cup global awards series (Canadian Award). Success Insights cited her as Entrepreneur to Watch in 2019. Today Suzanne applies her mantras, The Art of the Possible and Solve for Human, to the Canadian Advanced Technology Alliance's vision of Canada as a Scale Up Nation.
