

Swarup Joshi

Assistant Professor of Economics at Loyola Marymount University

Los Angeles, CA, US

Bellarmino College of Liberal Arts

Biography

Swarup Joshi is an Assistant Professor of Economics at Loyola Marymount University. He is an applied micro-economist. He uses data in a state-of-the art econometric design to test economic theories and impact of public policies, interventions and disasters on socio-economic outcomes. His research lies broadly across three areas of labor economics: economics of education, economics of crime, and health economics.
