

Ted Spence

Chief Information Officer at Ted Spence

Oceanside, CA, US

Data and Technology Consultant

Biography

A software development executive and consultant with a history in the videogaming industry at such heavyweights as EEDAR and Vivendi Universal. He has a proven ability to build, manage, and sustain successful technology teams at both startups and established companies. As a consultant, Mr. Spence has developed key business software components for dozens of companies throughout the Southern California areas, including Autobyte.com, DataPlex, Palisades Media, Structure Networks, Thales Aerospace, and more. Mr. Spence currently writes for AltDevBlogADay and on his own website at tedspence.com.
