

Thang Dinh, Ph.D.

Associate Professor at VCU College of Engineering

Richmond, VA, US

Computer scientist focusing on security and optimization challenges in complex systems including social networks.

Industry Expertise

Education/Learning, Computer/Network Security

Areas of Expertise

Network vulnerability assessment, Security and privacy in social networks and wireless networks, Combinatorial Optimization, Approximation algorithm

Education

University of Florida

Ph.D. Computer Engineering

Vietnam National University

B.S. Information Technology

Accomplishments

Best-in-Session Presentation Award, INFOCOM 2016

INFOCOM'16 Presentation Award: Best-in-Session for Network Science 1

NVIDIA Hardware Grant Award 2016

NVIDIA Hardware donation

Best Paper Award, 4th Int. Conf. on Computational Social Networks, 2015

Best Paper Award, 4th Int. Conf. on Computational Social Networks, 2015

Outstanding International Student Award

2011 College of Engineering

University Alumni Fellowship Award

2008-2012 University of Florida

Distinguished Academic Achievement Award

2007 Vietnam National University

Honda Young Engineer and Scientist Award

2007 Honda Foundation and The National Institute for Science and Technology
