

# **Thomas G. Hogan, Jr.**

**Senior Vice President of Fund Architecture at InventionShare**

Langhorne, PA, US

Driving profitable growth through visionary leadership, business insight and successful execution of complex corporate strategic initiatives

---

## **Biography**

Tom Hogan is a highly accomplished senior financial executive with a successful track record of improving profitability, increasing capital efficiency and earning the confidence of Senior Management and the Board. More recently, Tom has consulted with several technology start-up businesses and provided executive coaching for emerging leaders from a number of global consulting and technology firms. Tom's career highlights include 27 years at MetLife where he held leadership roles as Chief Financial Officer of two major organizations and as a key contributor in several large scale M&A transactions. His background also includes a business role as Chief Executive Officer of MetLife Resources, a \$35 billion business focused on the retirement and financial planning needs of the not for profit marketplace.
