

L.G. Thomas

Professor of Organization & Management at Emory University, Goizueta Business School

Atlanta, GA, US

Biography

Prior to joining the Goizueta Business School faculty, Professor Thomas held positions at the University of Illinois, the Graduate School of Business at Columbia University, and the Stern School of Business at NYU. His research focuses on how technological and social forces create and sustain the competitive advantage of firms. He has published three books, with the most recent one examining the failure of Japanese industrial policy for pharmaceuticals. His articles have appeared in the Rand Journal of Economics, the Journal of Law and Economics, the Strategic Journal of Management, Management Science, and the Quarterly Journal of Economics.
