Pretty Cool Boss Man

Biography

I'm the owner of T&S Online Marketing. I work with small and medium sized businesses and nonprofit organizations to help them avoid frustration when marketing online. Although my organization is not a good fit for everyone, I'm open to exploring the option if it makes sense for you. Located in Edmond, Oklahoma, near Oklahoma City (OKC), my company works with businesses and non-profit organizations, typically in the OKC metro area, but occasionally in other locations across the nation. I'm a public speaker, a published author, a lucky husband and a proud father.

Why Social Media Fails!

Do you ever feel frustrated when marketing online? Do you sometimes think you've failed at using social media for your organization? Don't worry, you're not alone. Many business owners feel frustrated because they hear everywhere that social media sites like Facebook, Twitter, YouTube, Google Plus and LinkedIn can be beneficial, but it's not working for them. It shouldn't be rocket science! Tim Priebe presents four core concepts that can lead to that feeling frustration if they're not understood. Learn how to change your mindset and your approach in order to succeed in your online marketing.
