Biography

A seasoned dentist with an impressive track record in general and cosmetic dentistry, Tomas Anderkvist, DDS, runs Westwood Dental Smiles in Los Angeles. The clinic is well known for providing top-tier dental surgery, care, and maintenance to residents of Southern California. Patients have access to a full range of modern cosmetic methods, including Invisalign, Brite Smile, and Zoom 3. As a periodontal therapist, Tomas Anderkvist, DDS, is fully trained and highly experienced in treating all of the symptoms associated with periodontitis, a serious disease that is usually preceded by gingivitis and may have connections to heart attack and stroke if left untreated. Westwood Dental Smiles prides itself on its caring approach to dentistry. Tomas Anderkvist, DDS, focuses on creating beautiful smiles to enhance patients' self-esteem and improve their physical and mental health. Through client consultations, Tomas Anderkvist, DDS, and his team at Westwood Dental Smiles design a dental care schedule catering to the specific needs of each patient, based on age, economic standing, and general condition of his or her teeth. To make patients comfortable and alleviate the stress associated with going to the dentist, the office plays soothing music and shows popular films. All procedures are completely safe, and Tomas Anderkvist, DDS, holds his office to the highest standards of hygiene. An Assistant Clinical Professor at the University of Southern California School of Dentistry, Tomas Anderkvist, DDS, maintains memberships in the California Dental Association, the American Dental Association, and the American Academy of Cosmetic Dentistry. He speaks six languages fluently and has published a series of highly respected articles on a wide variety of dental topics.
