

Tristan Tayag

Professor at Texas Christian University

Fort Worth, TX, US

Professor Tayag focuses on biotechnology optical metrology, digital signal and image processing, and computed tomography

Biography

Tristan Tayag has been a member of the faculty of the Department of Engineering at Texas Christian University since August 1997. He received his BSEE and MSE degrees from the Johns Hopkins University in 1986 and 1987, respectively. Tristan spent a year and a half as an associate engineer at the Applied Physics Laboratory before earning the Ph.D. degree in Electrical Engineering at the University of Virginia in 1991. From 1991 to 1997, Tristan worked at the Army Research Laboratory where he served as team leader of the Integrated Optics Team.

Areas of Expertise

Fluorescence Microscopy, Digital Signal and Image Processing, Biotechnology, Optical Metrology, Computed Tomography

Education

University of Virginia

Ph.D. Electrical Engineering

Johns Hopkins University

M.S.E. Engineering

Johns Hopkins University

B.S.E.E. Engineering
