Biography

Do you remember playing a game as a child and doing something that you didn't get the results that you wanted? You yelled: "DO-OVER" before someone else could yell: "No Do-Overs!" Well, I want to bring "DO-OVERS" back into the adult life. I want to work with people who need a "DO-OVER" in their professional or personal lives. My niche is Real Estate Investors who want to start over &/or people that may be having troubles making ends meet (more month at the end of their \$).
