

Warren Hanchey

Private Researcher at Private Researcher

Duluth, GA, US

Private Researcher

Biography

Warren Hanchey has been an entrepreneur for nearly his entire career. He has been involved in many start ups and boasts a diverse portfolio. He graduated from the University of Troy with a degree in Finance and Accounting. Upon completing his degree, he went on to join the Air Force where he served in Vietnam. His experiences lead him to develop skills in banking, investments, construction, mining, exports/imports, and technology development. Warren Hanchey currently works as a private researcher. Warren Hanchey has been working for seven years on research into biological signaling and ways to communicate with the body using acupuncture points and meridians alongside his mentor, German physicist Prof. Konstantin Meyl. When Warren Hanchey is not working, he enjoys golfing and traveling with his family. He has been playing golf since he was a child and continues to enjoy the sport today. With his wife Michelle, and their two children, Meredith and Troy. Recently he traveled to Lyon, France where he was able to discuss his new developments with his company.
