Sample Talks

Disease: Something that flies through the air and lands on the unlucky?

Does wellness begin when the ambulance drops you off at the Emergency Room? The WHO defines "health" as "a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity." The path is an integrative, vitalistic, individualized "best of East + West" approach.

Epistemology 101

Where do you go these days to find the truth? To the government (e.g., NASA = Never A Straight Answer)? To the corporate-controlled lame-stream media (a/k/a stenographers for the régime)? Learn how to cut through the self-serving PR spin, awaken from your information coma and find out what's really going on (are you sure you want to do this?).

First Amendment "Macro-Issues" [suitable for CLE approval]

(1) Jerome Barron's "Access Theory": Freedom vs. Competition; Speaking vs. Hearing; Immanuel Kant vs. John Stuart Mill. (2) "Strings Attached" and "Waiver of Rights" vs. "Constitutional Right to a Subsidy." Related topics include broadcast regulation, copyright, defamation, free press vs. fair trial, invasion of privacy, and newsgathering.

Is this Brave New World -- or 1984? (Are you waiting for CNN to tell you?)

"[P]olitical speech and writing are largely the defence of the indefensible. ... Thus political language has to consist largely of euphemism, question-begging and sheer cloudy vagueness. ... Political language ... is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind." --George Orwell

Now that we've survived the Mayan thing . . . wait, where's Ed?

How to navigate the bird flu, chem trails, climate change, consciousness awakening, economic Armageddon, flat earth, martial law, political pabulum, predator drones, and solar flares?all under the watchful eyes of the reptilian élite who believe that world overpopulation is the greatest threat to their maintaining control, and that you're in their way.
