Biography

About Yvonne: Yvonne's professional experience and education combines expertise in the areas of promotional marketing, visual merchandising, and Feng Shui---the ancient art of living in harmony with the environment for health, wealth, wellness, creativity and happiness. Yvonne intentionally blends innovative marketing and operations approaches with traditional principles of color and design to provide companies with design solutions that are both functional and aesthetically pleasing. Her work is always of the highest quality, and her consistently meticulous attention to detail sets her apart from others working in this field. Professional Training and Experience: Yvonne's certification is with Master Nancilee Wydra founder of the Pyramid School. FSII's training is an interdisciplinary version of Feng Shui. It combines biology, physics, psychology and architecture. Yvonne has also been trained with Grand Master Lillian Too on Flying Stars Feng Shui. All of these disciplines are used to explain how human beings filter information and how their environment can support or stop them from moving forward. She incorporates Feng Shui design principles into both residences and work places---from small businesses to large corporations. Her professional background includes working nationally in the hospitality industry with both a French-owned corporation and a US-owned conglomerate. Other clients include colleges and universities, retail businesses, health care establishments and companies in a variety of industries.
